Education

- PhD in Plant Sciences
University of Glasgow (1983)

**Dr. Asghari Bano, Professor and Consultant
University of Wah**

Emerging Areas of Interest

- Research Proposal Development
- Academic Writing and Publications Support
- Event Planning and Coordination for Research Activities
- Review of Research papers
- Review of Research Projects
- Enhanced production of essential oil
- Increased production of bioactive metabolites

Professional Summary

A motivated academic professional with a strong foundation in Plant Physiology, Stress Physiology, Plant Microbe Interaction, Bioremediation and Bioactive Metabolites. Passionate about research, innovation, and capacity building, with a keen interest in supporting individuals and organizations in areas like proposal development, academic writing. Currently seeking opportunities to apply my skills and knowledge to impactful consultancy projects

Key Skills and Strengths

- Academic Writing and Editing
- Research Design and Methodology
- Event Coordination for Workshops and Conferences
- Formulation of Biofertilizers, Biofungicide (plant based)

Recognitions

- 70 papers with high -impact journals are relevant to the field of consultancy
- Awarded UNESCO ROSTSCA Award, 1987
- Awarded Alexander von Humboldt Stiftung 1990
- Awarded Senior Fulbright Post doctoral Fellowship in 1998
- Awarded PCST Fellowship for Canada in 2005
- Received Donation of Scientific equipments , 1995, 2019
- Received Gold Medal from Pakistan Academy of Sciences 2010
- Received Presidential Award Tamgha-e-Imtiaz (2011)
- Awarded second prize in the invention and innovation summit, Dice Projects (2012)
- Received Res.Productivity Award from PCST 2002-2016
- SHEN 2021 Awards EXCELLENCE IN RESEARCH for the Contribution and Honorable Achievement in Innovative Research (2021)

- Ranked top 2% Impactful Scientists Worldwide 2020, 2021, 2022, 2023 and 2024
- ScholarGPS® ID: 29314304143190
- Highly Ranked Scholar - Lifetime: #11
- Plant development
- Highly Ranked Scholar - Prior Five Years: #445
- Life Sciences: #96
- Biology and Biological Sciences: #7
- Plant development: #8
- Drought tolerance
- Ranked 12 in Pakistan and 1130 among the best scientists in the field of Plant Science and Agronomy in the World 2023 and 2024
- Received Presidential Award Tamgha-e-Imtiaz (2011)
- Awarded second prize in the invention and innovation summit, Dice Projects (2012)
- SHEN 2021 Awards EXCELLENCE IN RESEARCH for the Contribution and Honorable Achievement in Innovative Research (2021)

Memberships and Affiliations

- Member, Botanical Society Pakistan, Pakistan PGPR Society, Member Soil Science Society of Pakistan
- Alumni Commonwealth, Alexander von Humboldt Stiftung and Fulbright Fellowship, USA

Availability and Consulting Terms

- Available to collaborate on projects related to research, proposal development, review of Research papers, Projects and Event planning
- Open to short-term assignments and willing to negotiate terms based on project requirements
